BD 43/40 C EP *IN

Mains Operated Walk Behind Scrubber Drier

The Invincible Cleaning Solution

Walk Behind Scrubber Drier BD 43/40 C EP *IN

Devote Minimal Cleaning Efforts

Floor cleaning is no longer a hassle anymore. Introducing powerful and innovative walk behind scrubber drier with the trusted approach of Kärcher. Experience a minimal effort for cleaning floors against dirt, dust, spillage, or any kind of impurities. Maintain an optimum level of cleanliness and hygiene by adding speed, efficiency, and high-end technical approach in scrubbing & cleaning of the floor.

Fully Compact & Agile

Technical innovation is ideally reflected in BD 43/40 C EP *IN scrubber drier. Easy to move cleaning appliance without putting in any pushing or pulling effort features dual rear wheels.

- The impressive disc brush helps to scrub the floor in an efficient manner. It comes packed with highly-adjustable handle with having an ergonomic handling approach for easy maneuverability.
- Mains operated power technology of BD 43/40 C EP *IN is helpful for long-hour performance with work efficiency upto 1800m² in one hour.
- The all new walk behind scrubber drier features 2 large size water tanks i.e. one for fresh water and the other one for waste water.
- The ideal separation makes it more reliable to ensure thorough cleaning in a matter of less time.
- Highly effective disc brush can be rotated swiftly to bring cleaning performance to a maximum level.
- Simply eliminate impurities of hard, soft, and liquid nature by switching on this powerful machine by looking at self-explanatory yellow shaded controls.

High-Quality Cleaning

Adding just water or detergent into it, is a choice depending on the cleaning mode. Additionally, detachable disc brush by tapping on the pedal and tank area can be cleaned easily in no time.

Long Term Cost Saving

Lower the cost of cleaning for a varied range of professional space. Save time, energy, and effort, using highly competitive BD 43/40 C EP *IN scrubber drier. Easy to operate even by semi-skilled workers, it is efficient to wipe out dirt & dust even from hard to reach areas with no such hassle of length training sessions. **The scrubber drier is economical in terms of consuming water, detergent, & electric power. Thus, making it cost-effective for professional usage.**

Optimum Home Base Storage Space

The key to experience maximum cleaning efficiency is by adding home base accessories including hooks, containers, mop, etc. Optimum storage space of BD 43/40 C Ep *IN helps to carry additional cleaning utensils on-board.
